## *Fire-EMS Standard Operating Guideline*

<b>Section:</b>	2 General
<b>Title:</b>	Emergency Personnel Evacuation Plan
<b>Date:</b>	August 2008

### **EMERGENCY PERSONNEL EVACUATION PLAN**

#### **Scene Operations**

When the Officer in Charge (OIC) or safety officer of a situation feels that all personnel should be evacuated from a building or hazardous area, they shall notify EOC that the building is to be evacuated.

- At this time, the EOC shall activate the **MAY DAY** alert tone for 5 seconds and announce: All personnel working the scene at the given location is to evacuate the building or hazardous area at the end of this announcement. Example: Activation of MAY DAY signal, “All personnel working the 612 west incident is to evacuate the building or hazardous area immediately.”

All apparatus on scene sounds air horns for 15 seconds. (Signal to be repeated only on orders by command.)

Emergency personnel accountability check shall be done immediately according to the Accountability System Guideline. (Reference section III, Fire Department Operations)

Accountability Officers shall report to the OIC when all emergency personnel are accounted for.
