Fire-EMS Standard Operating Guideline

Section:	Communications
Title:	Response Plan for Buses – Traffic Crash / Emergencies
Date:	05/26/2009

Upon receipt of a traffic crash or a fire emergency involving a bus, the Augusta County Emergency Communications Center will dispatch the defined response type:

Bus - Fire Emergency

Two (2) fire departments (unless otherwise specified)
Two (2) rescue agencies (unless otherwise specified)
One (1) squad truck
Virginia State Police (Incidents on I81 / I64)
Augusta County Fire-Rescue Duty Officer

Traffic Crash involving a bus with unknown injuries

Single rescue agency (unless otherwise specified)
Single fire department (unless otherwise specified)
Augusta County Fire-Rescue Duty Officer
Virginia State Police
Augusta County Sheriff's Department

In the event Augusta ECC receives additional information reporting injuries or a fire emergency, Augusta ECC will automatically upgrade the response assignment.

Traffic Crash involving a bus with injuries

Two (2) rescue agencies (unless otherwise specified)
Two (2) fire departments (unless otherwise specified)
One (1) squad truck
Virginia State Police
Augusta County Sheriff's Department
Augusta County Fire-Rescue Duty Officer

*** Once Emergency Service Personnel arrive on the scene of the event, he or she can determine if additional resources is needed or if Augusta ECC should activate the MCI plan.
